**Advancing More Than One Team from Tournament Bracket:** After the completion of a double elimination bracket if any two teams are tied, with the same won-loss record, the head-to-head tie-breaker will be used if the tied teams played each other during the tournament. If the head-to-head tie-breaker does not break the tie or if the two tied teams did not play each other during the tournament there must be a one game playoff to determine which team advances to the next level of play. No other tie-breakers may be used in double elimination brackets.

**NOTE 2:** If, after Game #7, there are three teams with one loss each, the team having played the most games will receive the Game #9 bye. If two of the three remaining teams have played the same number of games, they will draw for the Game #9 bye. If all teams have played the same number of games, then all will draw for the Game #9 bye.  
**EXCEPTION:** If two of the teams played each other in both Game #6 and Game #7, only these two teams will draw for the Game #9 bye. [If three teams remain with one loss and all have played the same number of games, there will be two runners-up in the tournament
